DINNER AUCTION

Date: May 6th .2005.

Chair: Stephen Payne

Auctioneer: John Elliman

Door: Noel Langley/Daniel Smolenaars

Tonight we conducted our annual Dinner Auction. Chairman Stephen Payne took charge of the proceedings and laid the ground rules right from the outset.

He then introduced Auctioneer, John Elliman who proceeded to conduct the first session of the auction.

The bidding was enthusiastic and the first session realised \$5,490.00. The cricket bat autographed by the Australian cricket team attracted very keen bidding going for \$500.00.

The second session was just as enthusiastic realising \$ 5,310.00. During this session, a Holden Dealer racing team jacket was keenly sought.

The third session came and a further \$3,750.00 was raised with some very spirited bidding taking place.

The fourth and final session was conducted raising a further \$4,820.00, once again, during this session the bidding kept pace with the previous 3 sessions.

The grand total raised for the night was a very good total of \$20,350.00, an excellent effort in any ones language.

The night was again, a total success, not only for the Rotary club, but also for all in attendance enjoying themselves as they entered into the spirit of the night.

JUST FOR FUN

A handsome well-built man was relaxing poolside at an expensive resort. A woman kept staring at him until he asked why she was doing so.
She explained: "It's just that you look very much like my third husband."
The man replied: "So you have been married three times."
"Goodness no," was the quick response. "Only Twice."
