WEEKLY BULLETIN OF THE ROTARY CLUB OF SALE.

February 7th.

MEETING NOTES

Date: February 7th.

Chair: Lyndon Webb

Door: Noel Langley

DETAILS

Chairman, Lyndon Webb introduced Sheryl McHugh as our guest speaker tonight. Sheryl is the project officer with the Wellington Shire for a program that is aiming to significantly improve the transport needs of the community in both the Wellington and East Gippsland Shires.

The program, "Let's Get Connect", is a program set up under the auspices of the Wellington and East Gippsland Shires and jointly funded by the Dept. of Human Services, Dept. Education and Training and the Dept. of Infrastructure until June 2006.

She spoke at length of the need to develop a reliable and efficient transport system through out the two Shires.

Sheryl pointed out that there was virtually nothing within the Shires for special purpose buses to take wheelchairs and the like.

She also pointed out that areas as remote as Lock Sport and Dargo had little or no effective transport system to and from Sale or Maffra

At the end of her talk Sheryl freely answered questions from the floor and left some brochures.

Chairman Lyndon thanked Sheryl for her presentation tonight.
