MEETING NOTES

Date: April 11th.
Chair: Bob Davis
Door: Daniel Smolenaars

DETAILS

Quiz Master, Bob Davis took over the proceedings for the night to conduct his Trivia night. Bob as you are aware is an accountant, but was formerly a schoolteacher. Whilst none of this has anything much to do with his ability to conduct a trivia night, it might go a long way towards answering as to why not many could even guess an answer let alone get the things right. Why he even had Rtn of note, Don Ripper tossed as to who wrote the 4 way test principals.

We had three tables competing for a Venue voucher from Relish, so you can imagine the intensity of the competition during the 4 rounds of questions.

The questions on offer covered a wide range of topics. Someone forgot to tell Bob, that as Rotarians, we are ever ready to assist in many forms of problem solving around the world, but general knowledge, well that is another thing, I mean, how are we expected to know as to whether the African elephant is larger than the Indian one or not, they are both to big to argue with.

Thank you to Relish, for the very fine gesture in making the voucher available as a prize and also thank you to Bob for his time in setting up the night, it was enjoyed by all in attendance.

PRESIDENT'S ANNOUNCEMENTS

Not much to report tonight other than directors reports.

International Service.

Don Ripper announced that there are currently positions available for 2005 GSE team members. The team will consist of 5 members aged between 25 & 40 who cannot be directly related to a Rotarian, if you know of any person that fits this criteria who would make a good ambassador please see Don ASAP.

This year the exchange is with Denmark.

Dinner Auction

By now all Rotarians should have received their list of businesses to visit for items that can be auctioned at the up coming Dinner Auction. It would be greatly appreciated that you bet your donations in no later than 1week prior to the night.

Also, Neil Ross is looking for Rotarians to organize tables of 10. Please see Neil with your table requirements.

Ernie McEwan

The older Rotarians would remember former member, Mac McEwan. Mac was the Headmaster of the former Sale Tech School and a member and past President of this Club. Sadly, Mac past away late last week

RELAY FOR LIFE

Adrian Rys spoke of the "Relay for Life" to be held over the weekend of April 30th. / May 1st. This is a biannual event held at the Sale Greyhound Track to raise both money and the awareness of cancer.

Adrian proposes that we enter a team in this event our selves to walk. The event is not a race but more of a social walk for 24 hours. The teams consist of at least 10 members with the more you have in your team the less you will have to walk. The cost is \$10.00 per team member plus your sponsorship. If you are able to walk or help in some other way, please see Adrian.

JUST FOR FUN

A reporter interviewing a 104-year-old woman asked: "And what do you think is the best thing about being 104?"

She simply replied: "No peer pressure."
