DETAILS

Tonight, we were addressed by Cherie Fielding and Sharon Schofield. Cherie and Sharon are volunteers with the Youth In Search program. The Youth In Search program was started by Ron and Judith Barr in New South Wales. It was after Ron took his drug addict son to a hospital that he foresaw the need for a better way to deal with the problems of youth.

At the start of the address we were shown a video from one of the current affair shows that ran a story on the problems of drug abuse, alcoholism. The Show also highlighted some of the worst forms of abuse that could be imagined against young people and what could be done to, in some way, teach these young people how to reach back and regain their life with the help of an organisation such as Youth In Search.

Both Sharon and Cherie are enthusiastic and informative on the subject of youth abuse as well as the work that is being done by the program. The Program has only recently opened a centre in Victoria and they are looking to establish a centre in Gippsland at possibly Licola. President Col thanked both Sharon and Cherie for their presentation and presented them with a memento of their night with us.

- ◆ Lyndon Webb: The best way to contact the CEO of the Shire is via the ABC.

JUST FOR FUN

Whilst searching the latest issue of the RDU for the joke page, I found a photo list the District Governors for 2004/05, thinking that this had been substituted instead of the jokes, eventually, not far away from D/G's was the page I wanted.

Never argue with an Idiot. They draw you down to their level then beat you with experience.
