Date: May 23rd.2005.

Chair: Neil Ross

Guest Speaker: Rod Exton

Door: Noel Langley

Chairman Neil introduced Rotarian Rod Exton to give his job talk tonight. Rod is campus principal at the Guthridge campus of the Sale Secondary College. Rod has spent most of his teaching career here in Sale firstly at the former Sale Tech and then as the school system amalgamated, at the Sale Secondary College.

Rod grew up in Benalla, moving to Sale in 1975 following his then girlfriend, Gillian Macmillan a local Sale girl, Gillian and Rod eventually married and have raised their family here in Sale.

Rod then took us on an entertaining and interesting journey of the teaching profession and the changes that have occurred in the time since 1975. The big changes that has come about was the abolition of the Technical school system which was taken out of the situation and replaced with system that we have in place today.

The future, as Rod sees it, is one that will be forever changing to try and keep pace with the requirements of society.

Rod has enjoyed his career as a teacher thus far and continues to enjoy the challenges that confront his profession on a daily basis. Thank you Rod, for an enjoyable address to us tonight.

- ◆ Over the last week former Rotarian Max Morrison has had visits from Rotarians, those that visited Max and Pearl found them to be as cheer full and as well as they can be given their respective circumstances.
- ◆ To all Board members a reminder that next Monday, 30th. May, is the monthly board meeting starting at 5.00pm at Relish.

ROTARIAN STAN ELLIMAN.

Last Friday evening former Rotarian Stan Elliman passed away.

Stan will be remembered in our club for his sense of humour and the ability to tell jokes on about every subject, including himself, possible. It would be fair to say that Stan has not enjoyed the best of health of late, but was still able to enjoy a joke.

We as a club extend our sympathy and sincere condolences to June, John and the Elliman family as they get on with their lives after the loss of a very good husband and father. Stan served this Rotary club with distinction for over 30 years as well being a fine community member of Sale.

SERGEANT SESSION

Keith, Collingwood, Miller decided that he was going to be sergeant tonight and it was quickly evident that it is a lot better when they don't win a game.

After fining those that helped at the RAAF car races he went straight at the top and fined Pres. Col. for late night shopping on Sunday, from the inside of the shop.

The Reverend Rtn. Brian was fined for his part in seeing of another Bishop.

JUST FOR FUN

The wife finally persuaded her husband to go and have a medical checkup.

The doctor asked how often he exercised.

Came the reply: "I don't exercise. It makes the ice jump right out of my glass."
