DETAILS

Tonight was a planning night for both the Sale Show gate teams and to bring members up to date with the Bookstall, both of which are held this coming weekend.

The second half of the night was devoted to both membership and the direction that we, as members of the Sale Rotary Club, see our club heading. President Col pointed out that in the past 2-3 years we have shrunk in membership from 42 members to 26 members currently.

We have to remember that that we have club membership where the majority of our members are over 55 years old and that with the exception of maybe 3 or 4 members have all had at least 12 years of good service to Rotary in Sale. One thought was that we should, look at the formation of a club catering more for the younger persons as well as promoting a different format for our own meetings to attract more of the younger generations into Rotary. The meeting extended well past the scheduled meeting time with many very good and frank ideas coming from the discussions.

WORDS OF WISDOM

Think not of what can be done for me, but more of what I can do for others.

THE FINE SESSION

Grant Ellers was sergeant again tonight and he let it go to his head. Some of the unfortunate individuals fined included:

- ◆ David Champion & Adrian Rys for being perpetually late.
- ◆ Any Rotarian that did not put their hands up to sell Christmas cakes or Puddings.
- ◆ Col Counsell for setting up a blind date for Grant then canceling the Ball.
- ◆ Bob Davis – I'm not really sure what the fine was for but being a Volvo driver is most likely enough.
- ◆ Bulletin Editor- Silly man, my pen has a memory chip built in.

JUST FOR FUN

This one's for Brian.

Speaking from the pulpit the clergyman told his congregation that every blade of grass was a sermon.

Later that week he was mowing the nature strip in the front of his house when a parishioner drove by.

The driver leaned out of the window and called: "That's right, reverend, keep them short."
