### DETAILS

Tonight our guest speaker was Liz Cooney, Liz is a Community Development Officer for the Red Cross.

Liz spoke of the ways that we as a Rotary club could involve our selves in the projects that the Red Cross was starting to be come involved with particularly with the view of attracting younger people to her organisation, a problem not unlike that which we face.

Liz spoke of 3 programs that the Red Cross are running currently, they are: a Mentoring Program, a Youth Space initiative and a program designed to alleviate the increasing problem of children attending school without any form of breakfast. This program is run from the Guthridge Primary School and is proving very successful; there are some 40% of children in this situation. Liz was happy and able to answer many questions on both her role and the Red Cross from the members at the conclusion of her address. In thanking Liz Pres. Col complimented Liz on her presentation tonight and presented her with a small memento of her visit with us tonight.

Mike Smith was sergeant tonight and nothing was sacred as he did his best to build up the club coffers.

- ◆ Keith Miller – Just what was his duties and responsibilities at the polling booth
- ◆ Chris Harrison – It appears that she has only to attend the meeting and she is in the gun, I almost feel sorry for her
- ◆ David Tulloch – He is president of the Agricultural Society but will be away for the Sale show.

### JUST FOR FUN

A sailor returned home after a long voyage to find his wife nursing a baby.

He was furious and demanded to know if the father was his friend Sam. The answer was no.

He then asked if it was Bill, Bert or Jack. The answer was still no.

"Well," said the sailor, "Which one of my good friends was it?"

The wife snapped back: "Don't you think I have any friends of my own?"
